Re: Grab a jab and get protected this New Year

COVID-19 vaccines and boosters are available at the Navnat Centre, throughout January, for walk-ins and bookings.

The Navnat Centre, Hayes (UB3 1AR) is open every Monday and Friday, 10am to 4pm beginning 7 January 2022.

Vaccines are available for:

12-15 year olds:	First dose and second dose if more than 12 weeks from first dose (must be accompanied by an adult).
16-17 year olds:	First dose and second dose (12 weeks after first)
18+:	First dose, second dose (eight weeks after first) and boosters (three months after second dose).

It's not too late to get vaccinated. Get your jab and protect yourself and your family against illness and help to stop the spread of the virus.
