Dear Parent

RE: Access to Online Work

Hope you and your families are safe and in good health.

Please find attached detailed instructions on how to access, download and upload school classwork, assignments and tasks that GNSA teachers have set for your child.

This guidance is put together to enable you to support your child's learning and development more effectively.

During this unprecedented time, we really appreciate all your continued efforts and support for your child's home learning.

GNSA teaching community would further like to extend their thanks for the great work our students have been doing at home. The support from parents, combined with the learning guidance from our teachers, is essential in reducing any negative impact on their learning.

Please follow the guidance documents attached to support your child's home learning.

Yours faithfully

Mr S Dhokia
Assistant Principal
